- Rediscover your innocence and spontaneity

- Find true satisfaction in your work and play

This intensive clears the issues that keep your sexual energy from flowing freely. You move past attitudes toward the opposite sex that keep you from actualizing your own opposite sex qualities. You learn to use the "problems" in relationships as opportunities to heal your wounded inner child, releasing blocked energies in the lower chakras while addressing and resolving the past. By using Witness Consciousness and the power of orgasmic energy, you quickly move through old limitations to greater joy and fulfillment.

Tuition \$1025 or \$1175 (depending upon housing option)  
(includes lodging and gourmet catered meals)
